QUALITY BEGINS AT THE ORIGIN POINT™

Welcome to Origin Point Brands

Origin Point Brands is a leading supplier of consumer products sold through the Lawn & Garden and Hardware industries. Originally founded in 1998 as Garden Zone, manufacturing expertise in light-gauge wire and metal lawn and garden products was the catalyst for early success. Innovative merchandising solutions, product design and packaging have continued to help drive the company's growth.

Based in Summerville, South Carolina, Origin Point Brands is a vertically integrated, global company. We maintain manufacturing and distribution facilities in both the United States and in Asia. Origin Point Brands' mix of products can be fulfilled internationally via direct container and domestically via truck load, LTL or small package. We use a team approach when taking care of our customers and our US staff includes professionals in Sales, Customer Service, Logistics, Marketing, Manufacturing, Product Development and Technology.

Success with our customers has helped Origin Point Brands expand into multiple product categories including: Wire Fence & Netting, Building Materials, Hardware, Pet, Safety & Security and Residential Fence. We will continue to innovate as we work with customers to provide total category solutions. If you are looking for a turn-key partner to develop, manufacture, distribute and merchandise quality products with, we invite you to contact Origin Point Brands.
